

Trunk *or* Treat

Instructions for Parking Cars

- Start by parking the first 2 cars next to the handicap spots on both sides of lane directly in front of the church.
- Park all participating cars with trunks facing each other- please have the front of the cars facing away from the lane.
- Children and families have the lane between the cars to walk
- Cars will be given a number to display and will be parked in order of the numbers
- Children and families will walk the loop then vote on their favorite trunk
- All other cars and visitors will park in a separate area and not next to the cars providing trunks for our Trunk or Treat event.
- This keeps all children in the middle and safe, so if someone needs to leave early, they are can drive out easily.
- If someone does need to leave early, please be **SUPER** careful there are no children playing or running near your car.
- **THANK YOU SO MUCH** for participating! We hope you had fun too. 🎃
