## February 2022

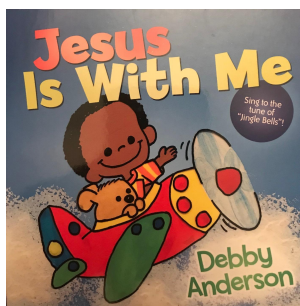

Welcome to the February Baby Book Club! Kids learn through repetition and in the laps of someone they love. Here is what you can do together:

**READ:** As often as you can, read the book together “Jesus is with Me” by Debby Anderson.

**BABY FUN:** Using the baby Jesus doll, touch your baby’s toes, and say “Jesus is with you!” Repeat with other body parts such as hands, ears, tummy, and head.

**SPIRITUAL PRACTICE:** Taking Baby Jesus with you! Tuck the Baby Jesus in your diaper bag or car seat, and take Baby Jesus with you. Teach your child that Jesus is always with them.

Join the last Tuesday night of the month for a zoom gathering for parents of infants and toddlers at 8 pm with Pastor Heather. Happy reading!
