

## Happy Baptismal Birthday

---

Celebrate your child's baptism anniversary tonight! Here are some fun things to do:

- Light the candle you received at their baptism, and sing happy birthday! Can't find it? Use any candle you have.
- Eat a cookie or have some cake. Make the evening special just as it was at their baptism.
- At bath time, talk about their baptism. Pour water over their heads and say, "You were baptized in the name of the father, of the son, and of the holy spirit. Hooray!"
- Read the baptism book before going to sleep. Say a special prayer: Dear God, thank you for this child, keep them in your care as they sleep. Amen."
- Trace a cross on their forehead, and tell the child "God loves you, and so do!"
- Take a picture and send it to Pastor Heather! [hrothjohnson@bethlehem-church.org](mailto:hrothjohnson@bethlehem-church.org)
